

PROCEEDINGS OF THE BROWN COUNTY
PUBLIC SAFETY COMMITTEE

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Wednesday, July 8, 2009, in Room 200 of the Northern Building, 305 E. Walnut Street, Green Bay, Wisconsin.

Present: Carole Andrews, Bill Clancy, Andy Nicholson.

Excused: Tom DeWane, Andy Williams.

Also Present: Steve Fewell, Bob Heimann, Don Hein, Tom Hinz, Kurt Hogarty, Dennis Kocken, Beau LeGois, Lois Mischler, Shelly Nackers, Jim Nickel, Cullen Peltier, Beth Robinson, Beth Rodgers, Jayme Sellen, Susan Tilot, Pat VanLanen, Donald Zuidmulder.
Media, Other Interested Parties.

I. Call Meeting to Order:

The meeting was called to order by Chairman Andy Nicholson at 5:02 p.m.

II Approve/Modify Agenda:

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY.

III. Approve/Modify Minutes of June 3, 2009:

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY.

1. Review Minutes and Reports of:

a. Criminal Justice Coordinating Board (5/26/09):

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

b. Emergency Medical Services Council (5/20/09):

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Communications

2. **Communication from Supervisor Vander Leest re: Request for each Standing Committee to forward a list of priorities to the County Executive for preparation for the 2010 budget. (Referred from June County Board):**

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to receive and place on file until Supervisor Vander Leest can be present. MOTION APPROVED UNANIMOUSLY.

3. **Communication from Supervisor Brunette re: A review of tornado siren placement on Green Bay's west side. (Referred from June County Board):**

Cullen Peltier, Emergency Management Director, provided and reviewed a copy of an e-mail to Supervisor Brunette answering Supervisor Brunette's questions (copy attached).

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Drug Court

4. **Update on Drug Court Program:**

Judge Donald Zuidmulder presented Assistant District Attorney Beau LeGois and Drug Court Coordinator Beth Robinson, and distributed handouts outlining steps to access the webpage (copy attached). He noted that from that webpage one person had referred himself to the Drug Court. He stated that the Drug Court is up and running. To date, there have been 14 referrals, of which 7 did not get through the screening process. Judge Zuidmulder reviewed the steps for the process and for the efforts to assist the offender to self-correct. He stated that the national statistics show that there is about a 50 percent recidivism reduction rate.

Judge Zuidmulder stated meetings take place every Friday. The Drug Court Team meets at 1:00 in a closed session, and at 2:00 Judge Zuidmulder will address each individual in an open session in Branch 1 on the 3rd Floor.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Judge Zuidmulder offered to return in a couple of months. Supervisor Nicholson asked if 2 months is sufficient time or if 3 months would be

needed. Then, Supervisor Nicholson asked Judge Zuidmulder to contact the County Board Office when Judge Zuidmulder is ready.

District Attorney

5. **Monthly drug criminal complaint numbers. (Handouts to be given out at meeting of the six month analysis.) Standing item:**
Susan Tilot, Administrative Supervisor, provided handouts (copies attached).

Ms. Tilot addressed Supervisor Andrews' previous request for an update for developing a comprehensive policy and the cooperation between departments regarding the drug issue in Brown County. In putting together a comprehensive policy, she felt that each department would refer to the Brown County Mission Statement which states, "...to provide our citizens with a high level of responsible and efficient public service that supports the health and well being of our residents."

Ms. Tilot stated that the goal as expressed by District Attorney John Zakowski is to reduce the number of people using drugs in our community. She said that would stem from law enforcement all the way through the court system, and reducing such numbers would provide corresponding decrease in the number of crimes committed. She said Mr. Zakowski provided a three-fold program: (1) increasing the education among the population; (2) the need for increased treatment of those on the low end of the spectrum; and (3) increased prosecution of drug offenders with appropriate penalties.

Ms. Tilot said that there is not a day that some member of the Drug Task Force is not in the DA's office—every single day. The DA's office is available 24 hours a day, 7 days a week. She also said that at least one of the prosecutors is at the Drug Task Force office at least 3-4 times per week. She said she thinks there is a coordinated effort, and asked if the Committee would like a policy/procedure or whether this answers the question.

Supervisor Andrews stated that, due to different interpretations of the original Communication by the 14 or 15 supervisors of the County Board who signed this Communication, she felt it would be advisable to obtain feedback periodically. She explained that she was interested in learning what services are available in the community, so Brown County does not duplicate funding.

When Supervisor Nicholson asked about the Communication, Supervisor Andrews stated that it went through Public Safety and then was passed on to the Criminal Justice Coordinating Board. Supervisor Nicholson

suggested that Judge Kendall Kelley, Chair of the Criminal Justice Coordinating Board, attend next month's meeting. Ms. Tilot will contact the County Board Administrative Secretary tomorrow in order to have the information forwarded to Judge Kelley.

Supervisor Nicholson expressed disappointment that the Supervisors had not attended the Public Safety Committee meetings. He continued by saying he does not understand why so many supervisors need a policy when they can come to the meetings or read the minutes to become informed.

Supervisor Fewell stated that he thought he was part of the discussion during budget time, and he felt that it is this Committee's responsibility to justify why Brown County is funding a State position. He said if this is such a vital position, then this Committee should be contacting State legislators saying that the District Attorney's Office needs to be funded for a prosecutor. He continued by saying, "That's a State funded position, but the State has no problem cutting funds back on us." He indicated that this made it difficult to come up with accurate numbers for the Budget.

Supervisor Nicholson agreed with Supervisor Fewell and continued by saying, "There are tremendous politics being played in the State of Wisconsin. The governor right now is actually holding Brown County hostage when Milwaukee and Madison is receiving majority of the funding and have received funding for extra assistant attorneys in the DA's office while Brown County suffers and our numbers go up in drug crime. We had to take action." Supervisor Nicholson continued by saying he had been working with the DA's office for at least 9 months on this. He asked Ms. Tilot what percentage has Mr. LeGois taken on of the backlog in drug cases for Brown County; Ms. Tilot replied, "80 percent and just above that this month." Supervisor Nicholson explained that this means offenders are re-offending, and this is being stopped by approximately 80 percent. He said that rather than wait for the State to provide funding, the Committee had to take action and supported this position. He also said he hopes the County Board will continue to support this position.

Supervisor Fewell stated that there had not been one resolution from this Committee to ask the State for funds. Supervisor Nicholson opined that obtaining funds for the DA's office under Governor Doyle would not happen, so a resolution would not accomplish anything. That is the reason this Committee took the action that it did to solve the problem in Brown County.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy that we ask Corporate Counsel to draft a resolution asking

the State to pick up the cost of Mr. LeGois' position. MOTION APPROVED UNANIMOUSLY.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

6. **Status on the Brown County departments coordinated efforts with respect to drug cases. (Referred from June meeting.):**

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Sheriff

7. **Budget Status Financial Report for May 31, 2009:**
Sheriff Kocken reviewed this Financial Report, and discussion took place concerning jail occupancy.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

8. **Key Factor Report for July and Jail Average Daily Population by Month and Type for the Calendar Year 2009:**

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

9. **Grant Application Review (#09-28): Homeland Sec. Spec. Team Training:**

Sheriff Kocken explained that this grant pertains to offsetting overtime costs while officers attend K-9 training for bomb training.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY.

10. **Grant Application Review (#09-29): Homeland Sec. Spec. Team Training:**

Sheriff Kocken explained that this grant pertains to recouping the costs of the absence of officers attending dive team training.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY.

11. Update from Drug Task Force regarding recent drug arrests and trends:

Lt. Pat VanLanen of the Sheriff's Department stated that the increase in manpower allowed the Drug Task Force to work the recent large case with the State and Federal agencies and still continue daily operations. He continued by saying the last time the Drug Task Force worked a similar case, work on all other cases had to be postponed for at least a month in order to dedicate the available manpower to address the large case.

Concerning this recent large case, Lt. VanLanen stated that there were 60-90 days' surveillance on multiple individuals, 7 days a week for 10-12 hours per day. This resulted in numerous arrests and the seizure or purchase of almost 4 kilos of cocaine. He attributed this success in part to the available manpower.

Lt. VanLanen stated that through June, 2008, there were 172 people arrested compared 223 in 2009. This is a 30 percent increase which coincides with the 30 percent increase in manpower. However, there has been one less case opened this year than last year. This means that the Drug Task Force is working bigger cases, arresting more individuals in those cases, and putting more charges on people.

Lt. VanLanen said statewide trends indicate that there has been a drastic increase in the availability and use of heroin. This has also been the case in Brown County and has led to deaths and overdoses. He also said that it is surprising that individuals in their late teens, early 20's, and some as low as high school age are becoming drug dependant. There has also been an increase in ecstasy; otherwise crack cocaine and cocaine powder has been about the same as last year.

Lt. VanLanen stated that space is an issue for the Drug Task Force: There are 19 employees in a very small office space, with 3 individuals sharing a room that was previously a supply closet, and the evidence sergeant being located in the break room. He said the addition of the evidence sergeant has been an incredible asset to the unit. Because the evidence sergeant has updated and streamlined this area, the investigators have been able to spend time investigating crimes.

Supervisor Nicholson asked the street value of a kilo. Lt. VanLanen replied a kilo of cocaine would be anywhere from \$26,000 to \$30,000. Supervisor Nicholson asked for an estimate of the drugs confiscated recently in the large case mentioned earlier; Lt. VanLanen said depending upon how it is distributed, it could be hundreds of thousands of dollars. He estimated the street value of drugs confiscated last year to be just over

\$1 million; and this year should exceed that. He also estimated that this year there will be about 400 arrests, which is more than ever before.

When Supervisor Clancy asked about the funds designated for drug purchases, Lt. VanLanen said he thinks the funds are sufficient for this year. Supervisor Clancy requested that Lt. VanLanen inform the Committee if the funds get low.

Supervisor Andrews asked about the money that is confiscated during drug busts. Lt. VanLanen said if the case is successful, all the agencies involved would get a percentage. Further, for an asset forfeiture in a case involving a Federal agency, Brown County would pay a percentage of the value of the asset in order to keep the asset. Typically, the percentage paid to a Federal agency does not exceed 20 percent.

When asked about the origin of heroin by Supervisor Nicholson, Lt. VanLanen said poppies are grown in and near Afghanistan and he was not certain as to how they arrive in Brown County. Lt. VanLanen said from the publications he has read, he thought the heroin was traveling through Mexico, through the same routes as cocaine would travel.

Supervisor Nicholson thanked Lt. VanLanen for his presentation

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

12. **Review/Approve the proposed 2010/2011/2012 police services contract between Brown County and the Village of Bellevue:**
Sheriff Kocken stated that this is a typical contract, consistent with the contract Brown County has with other villages. It was noted that one of the pages referenced Suamico, but should be Bellevue.

Supervisor Nicholson asked about a percentage of profit. Don Hein, Accountant, said there is not a percentage of profit built in; however, there is a 4 percent additional administrative cost.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY.

13. **Sheriff's Report:**
Sheriff Kocken said Lt. VanLannen spoke about the number of drug arrests being up; and Sheriff Kocken said he is certain there is a correlation with the jail population being up.

Regarding the space concerns for the Drug Task Force, Sheriff Kocken said that it appears that the Sheriff's Department may be moving and the Drug Task Force would move into that vacated space. He also said that the current garage facilities for the Sheriff's Department is in imminent need of repair, so decisions need to be made relatively soon.

Supervisor Clancy asked if it were feasible to have a cooperative arrangement with the City of Green Bay for vehicle repairs. Sheriff Kocken said the County vehicles are usually under warranty, so repairs are made as quickly as possible for little or no expense. He continued by saying that this was reviewed in the past, and right now Green Bay does not have room to service their own equipment. However, that might be possible in the future. Supervisor Clancy said with the budget concerns for next year this could be a win-win situation. Sheriff Kocken said he would check with the Police Chief to see if there is an interest.

Supervisor Nicholson asked Lt. VanLanen about the number of arrests in the recent large drug bust. Lt. VanLanen replied that approximately 24 were arrested. About 12-13 were booked into the Brown County jail and the remaining 10-12 went directly with ICE (Immigration and Customs Enforcement) to Milwaukee because there were no charges filed against those people. Brown County is able to get reimbursement from the Federal government through SCAAP (State Criminal Alien Assistance Program) when an illegal alien is arrested and put into Brown County jail. He continued that upon the release of those persons they would be deported.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Teen Court

14. Teen Court Stats:

Lois Mischler, VIP/Teen Court Representative, offered an observation that Ashwaubenon has not been referring people to the Teen Court regularly since the fee increase. She asked if she could explore alternatives to encourage referrals. Supervisor Nicholson said he would talk with the Ashwaubenon judge about this.

Ms. Mischler said she has not heard anything on the grant yet.

Supervisor Nicholson asked if there would be an open house in the fall. Ms. Mischler said she could possibly make arrangements if he would like to view a live trial; Supervisor Nicholson will contact her to arrange a time.

Supervisor Andrews also expressed an interest in attending this, and Ms. Mischler said she will get permission from the defendants.

Motion made by Supervisor Clancy and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Public Safety Communications

15. **Budget Status Financial Report. (To be distributed at meeting):**
Jim Nickel, Director of Public Safety Communications, indicated that this department is over Budget for yearly maintenance, but this should be okay at year-end.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

16. **FoxCom Agreement – (Motion from June meeting: To let us see what the bid is for moving the equipment and come back to us next month):**

Mr. Nickel said he met with Attorney Fred Mohr in May concerning this issue; however, he has not seen a draft of the Agreement from him. He said Mr. Mohr told him that since the Board had defined a \$3,000 move allowance, Mr. Mohr felt the issue was over.

Mr. Nickel said there are some issues that need to be discussed because this needs to be resolved. The bond money became available in May to move to the CAD System, and Brown County entered a contract with Motorola to get the equipment needed. In early June, different options were reviewed and resolved with Motorola and Information Services concerning what Motorola would supply and what Brown County would supply. There is a final project plan as of today. The main piece of Hewlett-Packard equipment should be here by month-end and installed by late July or early August. Testing is planned for September, and the system should go live in October.

In order to be successful, Brown County needs to obtain its data from FoxComm by August 10; however, FoxComm has not been notified yet. He has been told verbally that Karen Carlson told Motorola that Motorola is not allowed to obtain the data to move to the new Brown County system. Mr. Nickel said that is a totally unacceptable situation; and this will be discussed at the meeting scheduled for Tuesday, July 14, 2009. He indicated that, from his knowledge of the members on the FoxComm Fiscal Advisory Board, he does not think that it would be their decision to

delay Brown County's project. However, he did say that the project could be in jeopardy if this information is not received in time.

Another issue with the move concerns the cost for moving equipment back to FoxComm. He has since learned that unless Hewlett-Packard moves that \$300,000 to \$400,000 piece of equipment themselves, there will be no warranty protection. Mr. Nickel said this is a huge risk, and Brown County cannot afford that liability. He has been told the cost for Hewlett-Packard to move this is \$4,000. Mr. Nickel said he asked Karen Carlson of FoxComm to provide written copies of all quotes. He said he is pretty sure that FoxComm Advisory Board will be willing to help resolve this.

Mr. Nickel said he should have answers after the meeting next Tuesday. Supervisor Nicholson asked Mr. Nickel to keep him informed. Mr. Nickel also said if FoxComm is going to prevent Brown County from obtaining its data, then he wants that in writing.

Supervisor Clancy asked if this does not get resolved, could this go on into next year. Mr. Nickel said if Brown County cannot meet the August 10th configuration date, it could be very close to the end of the year. In fact it could extend into next year, which could put Brown County at risk because the FoxComm Agreement expires at year-end.

Supervisor Andrews suggested not releasing FoxComm's equipment until Brown County has its data. Mr. Nickel said he has recommended that Motorola set up both Brown County's system and FoxComm's system in order to save costs for both. He suggested that the Committee question FoxComm about that if this cannot be resolved by the Fiscal Advisory Board.

Supervisor Clancy asked Mr. Nickel and the Committee Chairman if it would be helpful for the Committee Chairman to attend the Fiscal Advisory Board Meeting if needed. Mr. Nickel indicated that it would. Supervisor Nicholson said he would do his best to attend that meeting if needed.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

17. **Director's report:**

Mr. Nickel distributed and reviewed his report (copy attached).

Supervisor Clancy said he has been made aware of some issues and asked if there was some sort of a "turf war" going on. Mr. Nickel said the issues concerned the use of the weight room, availability of lunches for employees, and a refrigerator recently purchased. However, he said he

plans to contact Captain Jadin and feels certain these issues can be resolved. County Executive Hinz explained some of the concerns and also said Captain Jadin has been very cooperative. Mr. Nickel said he would look into this.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to take 18, 19, and 20 together. MOTION APPROVED UNANIMOUSLY.

18. **Circuit Courts Budget Status Financial Report for May, 2009. No other agenda items:**
19. **Clerk of Courts Budget Status Financial Report for May 31, 2009. No other agenda items:**
20. **Medical Examiner Budget Status Financial Report May, 2009. No other agenda items:**

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY.

21. **Closed Session: Pursuant to Sec. 19.85(1)(c), Wisconsin Statutes to consider the potential employment of several individuals at the Communications Center:**

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to roll call vote. MOTION APPROVED UNANIMOUSLY.
Supervisors Present: Clancy, Andrews, and Nicholson.

(Recording Secretary excused.)

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to return to open session. MOTION APPROVED UNANIMOUSLY.

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to roll call vote. MOTION APPROVED UNANIMOUSLY.
Supervisors Present: Clancy, Andrews, and Nicholson.

(Recording Secretary returned.)

Motion made by Supervisor Andrews and seconded by Supervisor Nicholson to direct the County Executive to come back to us next month with more information regarding the potential employment of several individuals at the Communications Center with a possibility of the Closed Session. MOTION APPROVED UNANIMOUSLY.

Other:

22. Audit of Bills:

Motion made by Supervisor Andrews and seconded by Supervisor Clancy to pay bills. MOTION APPROVED UNANIMOUSLY.

23. Such other Matters as Authorized by Law: None.

Motion made by Supervisor Williams and seconded by Supervisor Andrews to adjourn at 7:09 p.m. MOTION APPROVED UNANIMOUSLY.

Respectfully submitted,

Lisa M. Alexander
Recording Secretary

Subject: Siren Questions

1) How many sirens are on the west side within the city limits of Green Bay versus the city limits on the east side?

West Side: 6

East Side: 8

2) When was the last time a review was made on placement on the west-side?

A review of the placement has not been conducted while I have been here. It is up to each municipality to add/replace sirens on the County system. Several communities have added/replaced sirens in recent years. There have been several discussions with the City of Green Bay regarding the replacement of the siren located at 9th and Ridge (Jackson School). This siren had chronic problems and it was becoming too costly for the County to maintain. However, after a lot of trouble shooting, we seemed to have solved the problem and have not had any problems recently.

3) How was it determined that the extra siren be placed at the fair grounds (I think that was something I read in the Press Gazette)?

In 2006 the City of DePere replaced a siren located at Kiwanis Park. Chief Kiser (De Pere Fire) approached Emergency Management with the possibility of relocating the old siren to the Brown County Fairgrounds. After a lot of discussion a proposal was taken to the PSC and ultimately the Board for sharing the costs of the relocation. The Board passed a motion on July 19th, 2006, to spend up to a maximum of \$1,000 to relocate the siren with De Pere paying the rest. The \$1000 was to cover the expenses incurred by the County's Electrician.

After doing some modeling, Emergency Management determined this would be a great fit. The purpose of the sirens are to warn people outdoors to move indoors, seek shelter, and monitor the weather via a weather radio or local media. Throughout the year there are a number of outdoor gatherings with large crowds held at the grounds. The modeling also determined that the siren sound shed would reach into Ashwaubomay Park. Again, an area with large groups of people enjoying outdoor activities.

I've attached a map outlining the estimated sound shed for the relocated siren.

4) How many complaints are received (if any) about residents not able to hear the sirens county-wide?

I don't track the complaints, but my best estimate is between 5 and 10 complaints a year.

The complaints typically are from individuals who state that they cannot hear the sirens in their homes. The process for reviewing this complaint is as follows:

1. Educate the individuals on the purpose of *Outdoor Warning Sirens*
2. Map the address to determine which sirens are located in their area
3. Try to determine if the residents could hear the sirens in their homes at some point
4. If that is the case, we monitor the closest siren during the next Wednesday noon test
5. If the siren does not sound, we repair it. If it does sound, we consider the issue resolved
6. If requested, follow up with the resident to let them know what we determined.

A recent complaint has come from a resident on Gross Avenue. After following the process (see attached map) we determined that the sirens in the area were operational and should be able to be heard outdoors near that residence.

5) What is the range of siren audio reach for rural placement versus urban placement?

The sound shed for the sirens is a best estimate. The sirens are typically mounted high enough that urban vs... rural placement doesn't make a big difference. The biggest factor in the distance the sound travels is wind direction and speed. Other things like foliage and atmospheric conditions also have an impact. Generally, the old sirens have a sound shed of roughly 1-mile and the newer sirens that are being installed have a sound shed of 1.5-miles.

I hope that answers the questions. I plan on being at the PSC meeting tomorrow night to provide any follow-up that is necessary.

General Information

The Brown County Drug Court Program is a court that is specifically designated and staffed to handle cases involving dependent offenders through an intensive, judicially-monitored program of drug and alcohol treatment, rehabilitation services, and strict community supervision.

The Drug Court concept is based on an innovative program that was first developed in Miami, Florida in 1989. The Drug Court concept has since received widespread attention as an effective treatment strategy for drug-involved criminal offenders. There are more than 2,300 such programs now in operation in jurisdictions throughout the nation.

Drug Courts are built upon a unique partnership between the criminal justice system and drug treatment community, one that structures treatment intervention around the authority and personal involvement of a Drug Court Judge. Drug Courts are also dependent upon the creation of a non-adversarial courtroom atmosphere where a judge and a dedicated team of court officers and staff work together toward a common goal of breaking the cycle of drug/alcohol abuse and criminal behavior.

Mission Statement

The mission of the Brown County Drug Court is to improve the overall quality of life in our community by providing a court-supervised program for substance dependent offenders that will enhance public safety, reduce crime, hold offenders accountable, reduce costs to our community, and ultimately transform these offenders into positive, contributing members of our community.

Director's Report July 8, 2009

1. New 911 Communications Center Project

We successfully transitioned the entire Brown County 911 Center to the new facility two weeks ago over a scheduled two day period. The highlights are:

1. All 911 calls were answered
2. All radio traffic was maintained
3. The project was completed ahead of schedule
4. The project was completed on budget

The following vendors and County teams made this possible:

Motorola	Schaumburg, Ill	Radio system upgrades, CAD software
Baycom	Green Bay	Radio moves, multiplex, GPS clock, installs
Plant/CML	Canada	Telephone system upgrades
Milwaukee 2 Way	Milwaukee	Telephone Switch move, installation
AT&T	Various	911 service, T1 line, admin lines
Xybix	Denver	Consoles
Word Systems	Indianapolis	Recorder upgrade/move
BSI	Appleton	Furniture
Camera Corner	Green Bay	Audio/Visual equipment
Selmer Co	Green Bay	Building construction management
VanderHouvel Elect	Green Bay	AC power and grounding
Comm Tech	Appleton	iP cameras
PTI	Green Bay	Building security
One Source	Green Bay	Cabling

Key County Departments:

Information Systems	Telephone lines, network, fiber, CAD computers
Administration	Purchasing, payables
Facilities	Moving, security, building services

Thanks to all who worked so hard to make this a success.

Jim Nickel
Director
